

Client Raves...

"...It was motivational as well as entertaining, and I am certain that each member of the staff was encouraged to begin applying some of the principles you discussed into their work."

Ellie Dworkin, Regional Office Manager, Sylvan Learning Center

"Your motivational talk and focus on the importance of humor was so inspiring to the group of men and women who attended these respective events. Your session received the highest marks..."
Karen Dresbach, President National Multiple Sclerosis Society

"I received nothing but kudos on your presentation. Your improvisational ability truly showed as you weaved in and out of entertaining stories, yet still kept up audience participation. And at 8:00 in the morning no less!"
Marianne Hausman, BS, Association of Genetic Technologists
